

Information regarding Rev. Jordan Savage and EFT.

1. Jordan Savage is not a licensed physician or surgeon. Jordan Savage will NOT diagnose or prescribe medicines or medical treatments for you or recommend that you discontinue legend drugs or controlled substances prescribed by an appropriately licensed practitioner. Jordan Savage neither encourages nor discourages you from contacting a state licensed physician or surgeon.
2. Jordan Savage is an ordained minister who has studied and practiced the energy healing technique Emotional Freedom Technique (EFT).
3. While EFT has produced remarkable clinical results, it must still be considered to be in the experimental stage and thus clients must take complete responsibility for their use of it.
4. Jordan Savage is not a 'healer', but a facilitator of others' own healing. Clients agree that they are responsible for their own healing.

I have read and received a written copy of this Disclosure Form. I understand the contents of this form and voluntarily choose of my own free will to receive the energy treatments as described above.
